

**CTMSC**  
Cape Town Multi Service Centre

## **BOARD MEMBERS NEEDED**

Cape Town Multi Service Centre is seeking to appoint three new members to serve on our Governing Board. CTMSC is a residential facility for teenage boys that come from backgrounds of neglect and abandonment, even abuse at times. The lack of family support and care is evident, and we focus on their care, holistic development, transitional youth programmes with family reunification and placement back into the community as our goal. The incumbents will take responsibility for a portfolio that resonates with their field of expertise.

The successful incumbents must support the Organisation's overall strategy and ensure good governance as the Governing Board members, make decisions and oversee the management of the facility in the best interest of the children, staff and organization as a whole.

If interested, please submit your CV, listing your experience and your field of expertise and motivate how you would like to help us "make a difference".
